

## Curriculum map

AQA approved Kerboodle online platform used alongside the student textbooks and teacher handbooks as resources for the course. The codes B1 C1 P1 etc relate to the topics as used by Kerboodle. These are used alongside the [AQA specification](#)

<b>Subject:</b> 9-1 GCSE Combined Science - <b>Trilogy</b>		<b>Exam board:</b> AQA <a href="#">Spec 8464</a>		<table border="1"> <tr> <td><b>Key Stage 4 / year group: 10</b></td> </tr> <tr> <td><b>Course length: 2 year</b></td> </tr> <tr> <td><b>Number of lessons per week: 4</b></td> </tr> <tr> <td><b>HOD: Icolyn Dennis</b> idennis@brit.croydon.sch.uk</td> </tr> </table>		<b>Key Stage 4 / year group: 10</b>	<b>Course length: 2 year</b>	<b>Number of lessons per week: 4</b>	<b>HOD: Icolyn Dennis</b> idennis@brit.croydon.sch.uk
<b>Key Stage 4 / year group: 10</b>									
<b>Course length: 2 year</b>									
<b>Number of lessons per week: 4</b>									
<b>HOD: Icolyn Dennis</b> idennis@brit.croydon.sch.uk									
<b>Term 1</b>	<b>Term 2</b>	<b>Term 3</b>	<b>Term 4</b>	<b>Term 5</b>					
B1 Cell structure	C1 Atomic Structure	P2 Energy transfer by heating	B4 Organising animals & plants	Lectures covering: B15 Adaptations, interdependence B16 Organising an ecosystem B17 Biodiversity & ecosystems					
B2 Cell division	C2 Periodic table	P3 Energy resources	B5 Communicable diseases	C5 Chemical changes					
B3 Organisation & the digestive system	C3 Structure & bonding	P4 Electric circuits	B8 Photosynthesis						
	P1 Conservation & dissipation of energy		B9 Respiration						
			B6 Preventing & treating diseases						
			B7 Non-communicable diseases
