How we use Employee Data

The BRIT School is committed to protecting your privacy and being transparent about what we do with it. We are committed to using your personal information in accordance with all applicable laws concerning the protection of personal information. We will not do anything with your information you wouldn't reasonably expect or that is required of us by law. We will use the information that we collect about you in accordance with the UK General Data Protection Regulation (UK GDPR).

Following Brexit, Regulation (EU) 2016/679, General Data Protection Regulation (GDPR) is retained EU law and known as UK GDPR. The UK GDPR sits alongside an amended version of the Data Protection Act 2018 that relate to general personal data processing, powers of the Information Commissioner and sanctions and enforcement. The GDPR as it continues to apply in the EU is known as EU GDPR.

The BRIT School is the data controller for all employee data collected and handled.

Information Sharing

We routinely share pupil information with the following:

- Schools/organisations that the employees attend after leaving us;
- Our local authority;
- The Department for Education (DfE).
- Pension Schemes
- Payroll provider
- HR MIS system
 - Disclosure Services
 - Solicitors
 - Maitland Medical

Why we share Staff information

We do not share information about our school workforce with anyone without consent unless the law and our policies allow us to do so.

We share school workforce data with the Department for Education (DfE) on a statutory basis. This data sharing underpins workforce policy monitoring, evaluation and links to school funding/expenditure and the assessment of educational attainment.

We are required to share information about our workforce members with our local authority (LA) under section 5 of The Education (supply information about School Workforce) (England) Regulations 2007 and amendments. We are required to share personal details of school workforce with our payroll provider in order to ensure our workforce is paid correctly.

School workforce members are required to supply personal details to our DBS agency and Occupational Health provider for the purpose of safer recruitment and health and safety provisions.

Data Collection Requirements

The DfE collects and processes personal data relating to those employed by schools (including Multi-Academy trusts) and local authorities that work in state funded schools (including maintained schools, all academies and free schools and all special schools including Pupil Referral Units and Alternative provision). All state funded schools are required to make a census submission because it is a statutory return under sections 113 and 114 of the Education Act 2005.

To find out more about the data collection requirements placed ON US BY THE Department for Education including the data that we share with them, go to <https://www.gov.uk/education/data-collection-andcensuses-for-schools>

The department may share information about school employees with third parties who promote the education or well-being of children or the effective deployment of school staff in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to school workforce information, organisations must comply with its strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.

For more information about the department's data sharing process, please visit: <https://www.gov.uk/dataprotection-how-we-collect-and-share-research-data>
