## 16 to 19 Tuition Fund Statement

The purpose of this statement is to set out how The BRIT School will use its 16 to 19 Tuition Fund allocation to support students who have been academically disadvantaged due to coronavirus (COVID-19).

### How the BRIT School will use the 16 to 19 Tuition Fund

The 16 to 19 Tuition Fund will be used to provide additional tuition for students aged 16 to 19 who have not yet achieved a grade 5 or above in English and/or maths. The provision will not be limited to tuition for English and maths but will also be used to help progressing students on vocational courses where assessment may have been deferred because of lockdown. Students with Special Educational Needs and Disabilities (SEND) - including those aged 19 to 24 who require additional tuition to help them catch up with their studies - will also be supported by this provision.

The tuition sessions will be scheduled in addition to the planned programme of study hours already timetabled for the academic year 2022/23. Tuition and additional support may be delivered using a blend of online and on-site delivery.

### Examples of some of the Tuition Support on offer may include:

- GCSE exam re-sit preparation
- Functional skills assessment preparation
- Vocational deferred assessment preparation
- Vocational knowledge catch-up sessions
- Pathway course (AS and A level) catch-up sessions

Tuition Support offered will be based on an individual needs' assessment, the identification of an individual starting point, clear learning goals, expectations and outcomes.

### Our commitment

The BRIT School is committed to ensuring the tuition fund is used in accordance with the Government's guidance on the 16 to 19 Tuition Fund by:

- producing this statement setting out how the fund will be used to support the most disadvantaged students
- publishing this guidance on the School website
- recording the use of the fund, including references to individual students who receive support, the needs of those students, the number of hours of tuition delivered and retain the evidence of the tuition provided
- deliver the extra tuition and spend the allocated funds in the academic year 2022/23
- notify the Education Skills Funding Agency (ESFA) of any underspend from the Fund for it to be reclaimed
